

Stratford's My Home

By Olivia Cunningham – 6th Class
November 2011

When I walk in the gate
I feel safe and sound.
Sunshine or rain,
There's still a nice feeling around.

My idea of a perfect school
Is not fancy
Or prancy
Or utterly cool,
And that is why I love Stratford School.

When I walk through the door
It feels like home.
There is nothing to describe
The comfort and warmth I feel.

When I see my friends and teachers,
Off I run
And that is why I think
Stratford's my home.
