

Happy Friendship Week

How can we be good friends?

<https://youtu.be/iF6NEvfS1ro?si=vHB-X2K4TZScztHb>

I dropped my book on the
ground and my friend picked
them up for me.

You can't play with me!

I am going to kick you.

I tried my best on my work!

I played with my friends at
break time.

I was very rough during break
time.

I helped my teacher pick up
rubbish from the floor.

I said thank you when I was
lent a pencil.

How can we fill our friends' buckets?

What might we do that would
dip into someone else's
bucket?

Turn to the person beside
you and say one kind thing to
fill their bucket.

When you wake up in the morning, you have a choice.

You can dip or you can fill.

Well done for filling buckets
