

Art Classes (Artsmart Stratford)

All classes take place in the prefab. Infants class pupils will be brought from their classrooms to the prefab. You can see examples of our work and follow us on www.Facebook/Artsmart.ie .

The cost of all materials is included in the fee.

Rules

School standards of behaviour are required. Pupils are expected to be helpful and supportive of each other, and to listen to all instructions.

- Pupils are expected to help with cleaning when requested.
- Pupils are **to be collected promptly** at the end of class, except where signed permission has been given for pupils in the older class to leave on their own.
- It is especially important that the **infants are collected at 2:55** in order to avoid confusion when the next class comes in.
- Pupils must stay with the group and listen carefully to the supervising adults on any outing.
- Parents should inform me when someone unusual is collecting the child

Please Note: These are structured classes and some junior infants may be happier starting at a later term.
